Dear 356-friend,

we tried to offer the most common parts illustrated, all further parts are not illustrated due to the lack of space, but they might be available.

Please do not hesitate to contact us. Due to the large volume of telephone calls, we recommend to contact us via email or our contact form.

You can place your order very easily with the order form on our homepage. Furthermore, you can order via email or fax.

Moreover, you can look for spare parts with our parts number, the original Porsche number or with keywords. You can find our price list on the homepage as well.

Have fun!

Our business hours:	monday - thursday	8:00 am - 4:30 pm
	friday	8:00 am - 3:00 pm

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The parts are numbered as follows:

- 19,a**: Small gear or pinion.
- 00b**: Long central shaft.
- 20a**: End cap or seal.
- 18,a**: Gear or pinion.
- 39a,b**: Housing or support structure.
- 38a**: Gear or pinion.
- 36**: Ring or seal.
